WHAT WE DO

Capability Areas

Commercial Painting

Painting packages for commercial, office, retail and fitout projects.

Interior Painting

Walls, ceilings, doors, frames, trims, skirtings and detailed finishes.

Exterior Painting

External repainting, preparation, coatings and weather-resistant finishes.

Industrial Painting

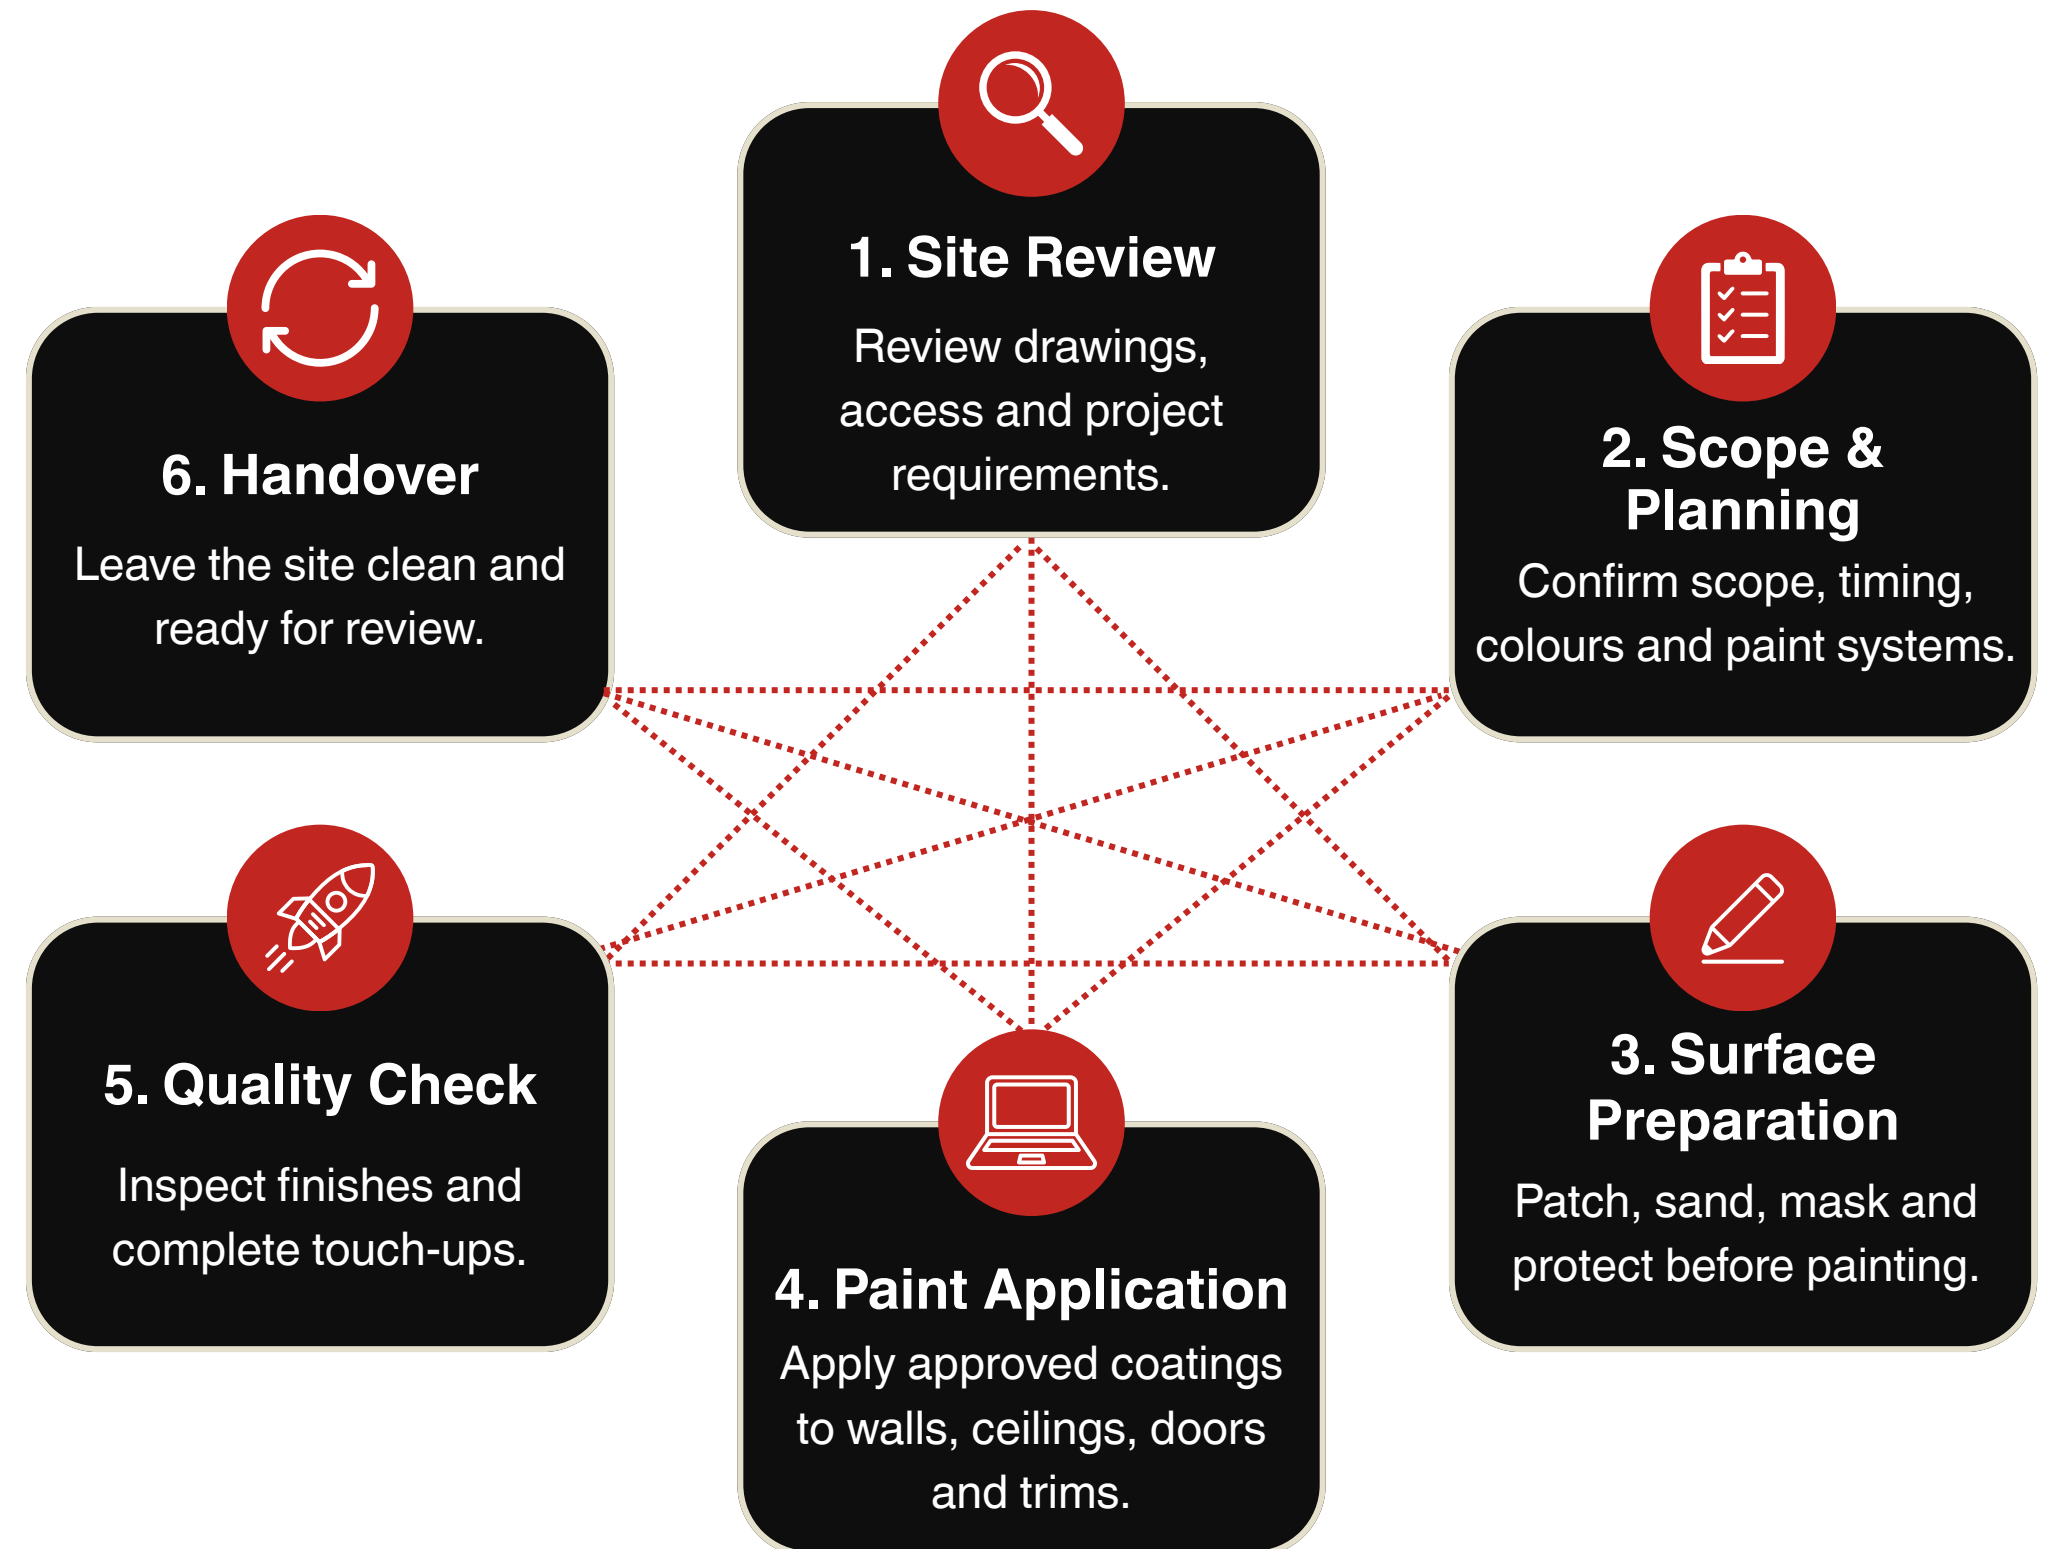

Painting and coating services for warehouses, workshops, factories and high-use areas.

HOW WE DELIVER

Project Delivery Process

Our process is built around clear scope, careful preparation, quality application and clean handover. We coordinate with builders, clients and site teams to deliver painting works safely, efficiently and to a professional finish.

WHY WORK WITH US

Reliable Painting Partner

We understand the pressure builders face with deadlines, defects, access, coordination and handover. Hallak Painting provides a reliable trade partner that can work from drawings, follow project requirements and deliver clean, professional finishes on time.

Program Focused

We work around site schedules and coordinate with other trades to keep projects moving.

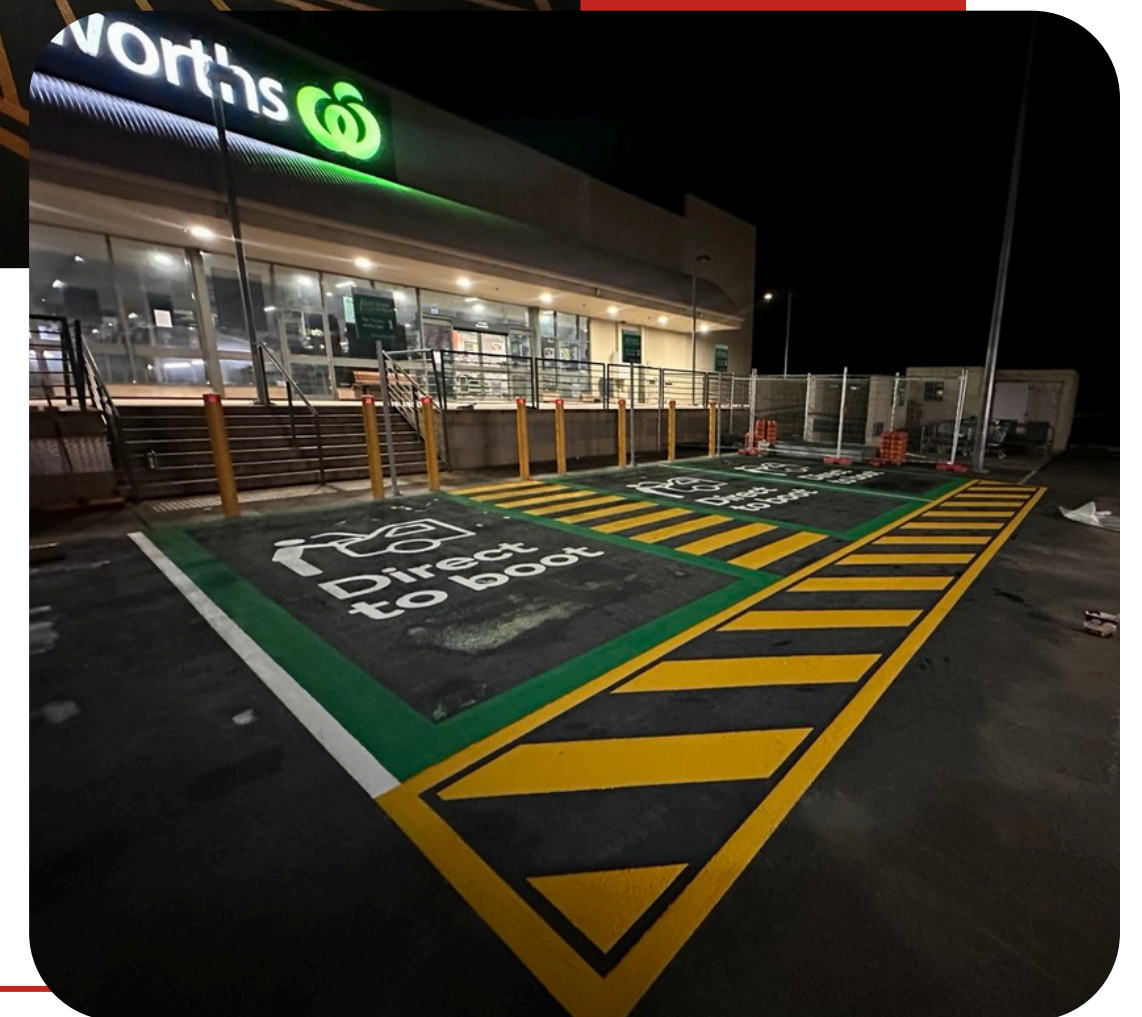

Clean Site Execution

We protect finished surfaces, maintain tidy work areas and complete touch-ups before handover.

Quality Finish

We focus on preparation, coating consistency and final defect control to reduce rework.

WHAT WE PROVIDE

Services & Scope

Hallak Painting delivers complete painting packages for commercial, residential, fit-out and maintenance projects. Our scope can be tailored to suit builder requirements, project drawings, specifications and handover timelines.

Internal Painting

Walls, ceilings, doors, frames, trims, skirtings and detailed finishes.

External Painting

Exterior walls, eaves, cladding, fascia, render and weather-exposed surfaces.

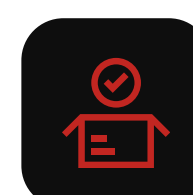

Commercial Fit-outs

Painting packages for offices, retail, education and commercial interiors.

Industrial Painting

Coating works for warehouses, workshops, factories and high-use areas.

Make-Good & Maintenance

Patching, sanding, repainting, defect touch-ups and maintenance support.
